FUNDRAISE FOR PAWPERS

Little ideas can make a big difference.

Every fundraiser helps us keep rescuing, feeding and caring for vulnerable dogs in North Macedonia - and helps give them the chance of a safer, happier future.

Whether you raise £10 or £1,000, thank you for choosing to do it for Pawpers.

Find your fundraiser

You don't need to organise something huge. Pick an idea that suits you, your friends, workplace, school or community - and make it your own.

Birthday fundraiser

Ask for donations instead of presents, or turn your birthday celebrations into a Pawpers fundraiser.

Coffee morning or bake sale

Cake, coffee and dogs are a pretty good combination. Host one at home, work, school or in your community.

Sponsored dog walk

Set a distance, choose a date and get walking. Your own dog can even join the fundraising team.

Take on a challenge

A run, hike, cycle, fitness challenge or something completely personal - set yourself a goal and ask people to sponsor you.

Crafts & sales

Sell handmade items, unwanted treasures, plants, books or anything else you can turn into funds for the dogs.

Quiz or games night

Bring people together for a quiz, raffle, bingo or games night and raise money while everyone has fun.

School or workplace fundraiser

Dress-down days, collections, competitions and team challenges can all add up to something brilliant.

Do your own thing

Got a completely different idea? We love creative fundraisers. Tell us what you're planning!

Make it a success

Set a target

A clear goal gives people something to get behind and lets you celebrate progress.

Tell people why

Share why you've chosen Pawpers and what the rescue means to you. Personal stories make fundraising feel real.

Start talking early

Give friends, family and colleagues time to hear about your fundraiser - and remind them as the day gets closer.

Share your progress

Photos, updates and milestones keep people involved and can encourage extra donations.

Ask people to share

Someone who can't donate may still help by sharing your fundraiser with their own friends or colleagues.

Say thank you

Let your supporters know what you raised and how much their help meant.

WE'RE HERE TO HELP

Let us know what you're planning. We may be able to help with Pawpers photos, information about our work or sharing your fundraiser with our community.

Your fundraising helps them

Behind every appeal, vet visit and bowl of food is someone who chose to help. Money raised for Pawpers supports the day-to-day work of rescuing and caring for vulnerable dogs in North Macedonia.

Food & everyday care	Helping us feed dogs in our care and dogs we support outside the shelter.
Veterinary treatment	From routine care to urgent treatment for dogs who arrive injured, ill or neglected.
Safe shelter & recovery	Giving rescued dogs somewhere safe to rest, recover and begin again.
Rescue & rehabilitation	Supporting the work that takes a dog from crisis towards the possibility of a loving home.

Finished fundraising?

Thank you. Visit **pawpersintheruff.com/donate** for our current ways to send the money you've raised, or contact us at **contact@pawpersintheruff.com** if you need help.

Every pound raised helps us keep showing up for the dogs who need us.
